REGISTRATION PROCESS

Registration for all classes must be completed online at pickleballcommunity.com, select 'Instructional Programs' then select the specific class you would like to sign up for. For additional info or questions please email pickleballcommunity@gmail.com

DISCLAIMER

If classes are canceled due to inclement weather, participants will need to sign up again for a future class following the same registration process detailed above. Classes will not be cancelled until 60 minutes prior to class start time, unless deemed necessary for the public health and safety of all participants. Please check with the listed center for cancellations.

BEGINNER (BEG) AND ADVANCED BEGINNER (ADV BEG) OPEN PLAY SCHEDULE

Players participating in the Instructional Classes are encouraged to play at these Open Play times. No registration is required for these sessions, simply arrive at the courts and rotate in with the other players in attendance. Times may vary due to other programming or maintenance. For more info please contact the host Recreation Center or review the Recreation and Parks Publication, available online at DistrictGov.Org or at any Recreation Center.

	MON	TUE	WED	THUR	FRI	SAT/SUN

Open Play at courts from 7-10am throughout The Villages is not recommended for beginners.

Description of Classes & Clinics

Intro to PB Virtual Classroom	Introduction to Pickleball: A virtual classroom is available at pickleballcommunity.com. Select Instructional Program and then select Virtual Classroom. This is required viewing prior to attending Intro to PB Part One.
Intro to PB Part One	Prerequisite is Virtual Classroom: Students will learn the physical demands of the game, as well as balance, footwork, and movement. Through eye-hand coordination drills & paddle drills they will learn paddle & ball interaction. Learning basic serves, ground strokes and dinks will prepare them to play. Instructors will advise students when they are ready to move on to Beginner Mentored Play.
Beginner Mentored Play (BMP)	Prerequisite is Intro to PB Part One: Students will attend five BMP sessions before moving onto Intro to PB Part Two, unless advised by the BMP Mentor to advance without attending 5 BMP sessions.
Intro to PB Part Two	Prerequisite is both Intro to PB Part One and the BMP series: Students will be taught how to practice and drill on their own through a series of drills. Focusing on the strokes learned in Part One, the students will dink, serve, and hit both forehand and backhand ground strokes. Some students, with advanced skills, may be taught additional strokes. Instructors will advise students when they are ready to move on to Skills Clinics.
Clinics	
Residents who have completed the Intro to PB courses and those residents who are trained elsewhere and meet the standards of a 3.0 player as defined on the pickleballcommunity.com website may sign up for these clinics. Residents that have a 3.5 or higher rating may sign up for Partner Development Concepts without taking Non Volley Zone or Full Court Concepts clinics.	
Clinics	<p>1.Non Volley Zone Concepts: Development techniques to improve Non-Volley Zone shots using a games-based drill and play format. Instruction on creating open space, ball pace, moving opponents, ideal strike zone, paddle angles, and ball pathways to achieve a variety of shots for successful play.</p> <p>2.Full Court Concepts: Teaching the deep forehand and backhand ground strokes needed in the serve and return of serve. Focus on transitioning to the non-volley zone using the drop-shot via games-based drills and play.</p> <p>3.Partner Development Concepts: This is a circuit style class with 3 courts designated for Full Court game play, and 3 courts focused on strategies for the Non Volley Zone. Players rotate to all courts during the class time and intermix with other participants.</p> <p>4. Strategy Play: This class is designed to utilize your skills to execute a successful game plan against any opponent by introducing offensive and defensive strategies, with an emphasis on the transition zone.</p>

At all levels of instruction, we recommend that students practice what they have learned. Look in the Recreation & Parks Publication or check the schedule above for Beginner Play times. This court time is designed for beginner players to develop their game with players at a similar level.
