Clinics (should be taken in order)	1. Non-Volley Zone Concepts Bacall 350-2281	1. Non-Volley Zone Concepts Franklin 674-1989	3. Strategy Play Concepts Part One Homestead 674-1971 4. Strategy Play Concepts Part Two Captiva 259-7422	2. Full Court Concepts Bradenton 674-8380			
		<u> </u>	EGISTRATION PROCES	00			

Registration for all classes must be completed online at **pickleballcommunity.com**, select 'Instructional Programs' then select the specific class you would like to sign up for. For additional info or questions please email pickleballcommunity@gmail.com

DISCLAIMER

If classes are canceled due to inclement weather, participants will need to sign up again for a future class following the same registration process detailed above. Classes will not be cancelled lessons until 60 minutes prior to class start time, unless deemed necessary for the public health and safety of all participants. Please check with the listed center for cancellations.

BEGINNER (BEG) AND ADVANCED BEGINNER (ADV BEG) OPEN PLAY SCHEDULE

Players participating in the Instructional Classes are encouraged to play at these Open Play times. No registration is required for these sessions, simply arrive at the courts and rotate in with the other players in attendance. Times may vary due to other programming or maintenance. For more info please contact the host Recreation Center or review the Recreation and Parks Publication, available online at DistrictGov.Org or at any Recreation Center.

Part Two strokes learned in Part One, the students will dink, serve, and hit both forehand and backhand ground strokes. Some students, with advanced skills, may be ta additional strokes. Instructors will advise students when they are ready to move on to Skills Clinics.	aught						
Residents who have completed the Intro to PB courses and those residents who are trained elsewhere and meet the standards of a 3.0 player as defined on the pickleballcor	mmunity.com						
website may sign up for these clinics. They must be taken in order and receive their instructor's recommendation to proceed to the Strategy Play Concepts clinics. Residents the state of the strategy Play Concepts clinics. Residents the state of the strategy Play Concepts clinics.	hat have a 3.5						
or higher rating may sign up for Strategy Play Concepts Part One without taking Non Volley Zone or Full Court Concepts clinics.							
1.Non Volley Zone Concepts: Development techniques to improve Non-Volley Zone shots using a games-based drill and play format. Instruction on creating	g open space,						
ball pace, moving opponents, ideal strike zone, paddle angles, and ball pathways to achieve a variety of shots for successful play. 2 Full Court Concents: Teaching the deep forehand and backband ground strokes needed in the serve and return of serve. Focus on transitioning to the nor	ball pace, moving opponents, ideal strike zone, paddle angles, and ball pathways to achieve a variety of shots for successful play. 2.Full Court Concepts: Teaching the deep forehand and backhand ground strokes needed in the serve and return of serve. Focus on transitioning to the non-volley zone						
using the drop-shot via games-based drills and play.							
Clinics 3.Strategy Play Concepts Part One: This is a circuit style class with 3 courts designated for Full Court game play, and 3 courts focused on strategies for the							
Zone. Players rotate to all courts during the class time and intermix with other participants. 4. Strategy Play Concepts Part Two: This class is designed to utilize your skills to execute a successful game plan against any opponent by introducing							
4. Strategy may concepts part two: This class is designed to utilize your skills to execute a successful game plan against any opponent by introducing one defensive strategies, with an emphasis on the transition zone.							

At all levels of instruction, we recommend that students practice what they have learned. Look in the Recreation & Parks Publication or check the schedule above for Beginner Play times. This court time is designed for beginner players to develop their game with players at a similar level.
